MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Certification by Spouse Re Membership in, or Association with, Organizations Listed Pursuant to Executive Order 10450

Noted By DCF

21 July 53 - vdr

I B I

1. I have taken action to initiate a procedure whereby spouses of applicants will be required to sign a certification to an attachment to the Personal History Statement similar to the current Appendix I.

2. This attachment will be known as Appendix II and will be identical with Appendix I, except as follows:

a. The words "spouse of an" will be inserted after the word "each" in the second paragraph of Appendix I.

b. The certification will be amended to read,

"I certify that I have read the names of the above-listed organizations, and that I am not, nor have I been, a member of, contributed to, knowingly received literature from, or attended meetings of any organization listed above, except as indicated and explained below:"

c. The last sentence of "Remarks" in the Appendix I will be deleted.

3. This procedure will become effective immediately after printing is accomplished.

4. The current Appendix I will continue to be used for applicants, since I believe that the present certification by the applicant, which includes the activities of the spouse, is valuable from the standpoint of providing additional grounds for disapproval or subsequent termination where fraud is discovered.

5. Execution of Appendix II will be required of all married persons making application for overt or semi-covert positions, whose cases are processed through this office.
